

Welcome

The Parlours Holiday Cottages are situated in the picturesque hamlet of Bournes Green, approximately 1.5 miles from historic villages such as Bisley, Chalford and Oakridge, all hosting friendly Inns serving home cooked food and locally brewed ale.

They consist of two, self-catering, modern dwellings situated on a farm of 200 acres of grassland. Although not a working farm as such, there are still many attractions in this area of outstanding natural beauty.

All three properties have been tastefully converted from existing barns and dairy buildings, where cows were actually milked, and where possible, beams and stone walls have been left as features in side. Each of our non smoking cottages makes the ideal retreat for a weekend or midweek break, or for a longer holiday.

Bournes Green is an excellent base for touring and walking. Within a 20 minute drive you can be in the heart of Cheltenham, Gloucester, Cirencester or Swindon. Stroud is only 10 minutes away and both Bath Spa and Bristol can be reached in under an hour without going on the motorway.

For those wishing to pursue deeper into the Cotswolds, Stow-on-the-Wold, Bourton-On-The-Water and the Cotswold Wildlife Park are popular places to visit for daily excursions.

There are many beautiful walks in this part of the Cotswolds - the Cotswold Way passes nearby, and with the forthcoming restoration of the Stroudwater Canal, there is even more for both the experienced and leisure rambler.

NEWS

We have now been certified by the Caravan Club as a caravan site for up to five caravans or motorhomes. Full details are [here](#)
