

No. 1 The Parlours - Sleeps 6

Living up to its name, this beautifully restored accommodation was the original milking parlour with up to 200 Friesian cows passing through here on a twice-daily basis, providing thousands of gallons of fresh milk.

Built as a single storey dwelling and boasting spacious, open-plan sitting room, dining area and kitchen of 30' x 16' on wood laminate floors, this accommodation offers a double room complete with en-suite shower room, a further family bathroom and double room and a twin-bedded room.

All bedrooms house farmhouse pine furniture with carpeted floors. The kitchen is fully equipped with beech units and furniture and includes washing machine, tumble dryer, dishwasher and microwave. It benefits from central heating and double glazed windows and doors.
